

FROSTY THE SNOW BLADE®

SKID LOADER MOUNTED SNOW PUSHER

- Quickly and efficiently move large accumulations of snow
- Five times more efficient than windrowing with a blade plow
- Great for sidewalks, parking lots, driveways & roadways
- Operates on asphalt, concrete and gravel surfaces
- Adjustable rubber cutting edge thoroughly cleans the surface
- Less damage to asphalt and painted lines than a steel blade plow
- Features both wide and narrow carriage skid loader hookups
- Heavy 1/4" plate steel construction, 4" channel reinforcements
- Extreme service boxed corner gussets, fully welded construction
- Available in 6', 8' & 10' lengths & optional pull back kits
- Full one year warranty backed by Ernest Industries since 1967
